Lakewood, Colorado 80226

HCI_AMIRFP_2846 ADDENDUM NO. 8

QUESTIONS SUBMITTED BY EMAIL FROM APRIL 1-7, 2020

Question 1:

In Exhibit B - Pricing Form on the "detail pricing" tab, the formulas in columns C, D, & E are not working properly. Please advise on a corrected pricing spreadsheet for Vendors.

Answer:

HCI has published a revised Exhibit B, restoring the formulas in columns C, D, & E. To download the revised Exhibit B spreadsheet, visit this page on the [Hometown Connections website](#).

Question 2:

In Exhibit B - Pricing Form on the "detail pricing" tab, rows # 70 – 102, there is no quantity column to base price calculations on? Please advise on a corrected pricing spreadsheet for Vendors.

Answer:

HCI requests that bidders assume a total of 100,000 endpoints to determine pricing.

Question 3:

In Exhibit B - Pricing Form on the "detail pricing" tab, rows # 228, 229, 230; can HCI please further clarify what these items mean?

Answer:

These rows refer to hardware that allows the Capacitor Bank, Recloser, and/or Fault Locator to send data and messages using the network. Bidders should assume these are devices related to distribution system automation.

Question 4:

Can HCI provide additional clarification on the following questions in the Smart Cities and Other Capabilities:

Overall	Does your company's offering support Distributed or Smart-Lighting?
Overall	Does your company's offering support Distributed or GIS?
Overall	Does your company's offering support Distributed or Micro-Generation?

Answer:

HCI has revised the smart city capabilities questions as follows:

Overall	Does your company's offering support Smart Street Lighting?
Overall	Does your company's offering support integration of GIS data or systems?
Overall	Does your company's offering support Distributed or Micro-Generation?
